## Submission Guidelines, 9th IVPC 2025

All abstracts must be submitted on-line and written in English. Abstracts should be prepared according to the following instructions:

1. Use the font type Times New Roman for all parts of abstract. Use font size 14 for the title and 11 for the rest parts. Title should be in Boldface with initial letter in capital.

2. Title, Authors' names, Affiliations, Corresponding author's email should be center-aligned. Use asterisk for corresponding author and superscript numbers for affiliations. Objectives, Materials & Methods, Results & Conclusion, and Keywords (5-7) should be left-aligned. Do not exceed 400 words for the body of abstract.

3. Abstracts must be submitted no later than October 21,2024.

4. Only research-based abstracts are considered for evaluation. Review papers are rejected.

5. Abstracts whose authors include only students' names are not evaluated unless the authors provide evidences that the research has been originated from a university approved project or has been completed under the supervision of a university faculty member.

6. There are limitations in acceptance of case reports and abstracts from the first author or corresponding author.

7. Any types of plagiarism are strictly forbidden.

8. After you submit your abstract, the system will automatically send you an e-mail indicating a successful submission. If you do not receive this confirmation e-mail within 24 hours, it means the submission did not succeed and you should try again.

9. Submission of printed abstracts will not be accepted.

10. You must select your preferred method of presentation (Oral or Poster).

11. The Scientific Committee will select oral and poster presentations among the accepted abstracts and notify the corresponding authors via email.

12. Authors who submit an abstract but fail to register for the congress by

--- ---, ----, their abstracts will be withdrawn from the proceedings.
