

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Wednesday 12 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
1	16529	Successful Surgical Treatment of an Unusual Hematoma in a Common Mynah (<i>Acridotheres tristis</i>)
2	154783	Adenoviral gizzard erosion in a broiler chicken farm (the first report from Kermanshah Province)
3	254844	Exploring Postbiotics as a Novel Antiviral Strategy Against Avian Influenza: Mechanisms, Efficacy, and Immunomodulation in Poultry
4	352965	Comparisons of cecal fermentation products in hens molted by different methods
5	362820	Investigating the level of Cryptosporidium parasite infection in Rasht pigeons in 2022-2023
6	362850	Risk Factors for Dead on Arrival and Abattoir Condemnation of Broiler Carcasses in Rasht County
7	451276	Evaluating the effect of different concentrations of melatonin hormone on the immune system of broiler chickens with increased pulmonary blood pressure (ascites)
8	457038	Evaluating the interaction between opioid receptors and the amino acid leucine on the central regulation of food intake in broiler chickens
9	459846	Experimental evaluation of the effect of using alcoholic licorice extract in diet on the quality, lipid oxidative stability and shelf life of raw quail breast and thigh meat
10	499299	The effect of using a combination of Eugenol, Vanillin and silicic acid on egg production performance and quality in Lohmann LSL commercial layers
11	523040	First Report of Toxicity of <i>Euphorbia Grantii</i> in Two Cockatiels
12	534960	Serological survey of Avian reoviruses (ARVs) infection in broiler flocks from 2021 to 2023 in Urmia, Iran
13	535709	Serological survey of Avian metapneumovirus (AMPV) virus infection in Turkey flocks from 2021 to 2023 in Urmia, Iran
14	537058	Serological survey of Avian metapneumovirus (AMPV) virus infection in chicken broiler flocks from 2021 to 2023 in Urmia, Iran
15	672643	Prevalence of Selected Breast Muscle Myopathies in Broiler Flocks of Northern Iran: A Survey (April to December 2023)
16	684185	Effect of three distinct probiotic administrations on growth performance in broiler chickens under chronic heat stress
17	686848	Effect of three distinct probiotic administrations on the physiological responses of broiler chickens exposed to chronic heat stress
18	688117	Effect of dietary supplementation of stinging nettle (<i>Urtica dioica</i>) on serum oxidative stress biomarkers in broiler chickens under chronic heat stress
19	696414	A Survey on the incidence of ulcerative and necrotic enteritis in broilers in northwest Iran and the therapeutic effect of oral lincomycin in 2023.
20	713185	Serological Surveillance of Highly Pathogenic Avian Influenza H5 Subtype in Backyard Poultry: A Provincial Study
21	764925	Effects of Drinking Magnetized Water on Feed Conversion Ratio and Related Growth Parameters in Broiler Chicken
22	769513	Examining the effects of four different drug programs on average weight, feed conversion ratio, and production index in broiler chickens raised under natural conditions

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Wednesday 12 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
23	788348	Isolation and Identification of <i>Corynebacterium xerosis</i> in Two Peacocks: First Report of Respiratory Infection
24	788812	The first pathological report of visceral gout in a western swamphen
25	879308	Evaluation of Newcastle Disease Antibody transfer from broiler breeder to progeny by hemagglutination inhibition
26	885586	Comparison of the effect of phytobiotic, coccidiostat, toltrazuril and vaccine on intestinal lesions and the population of bacteria in the cecum in ROSS 308 broilers infected with coccidiosis
27	901269	Investigating the immune response and blood parameters of male breeders in flocks fed with L-carnitine and L-arginine supplements
28	964857	Phylogenetic study and detection of avian influenza virus serotype H9N2 with RT-PCR assay in broiler flocks in some Iranian provinces.
29	1011572	An overview of the potential applications of Artificial Intelligence in enhancing layer breeding efficiency
30	1017612	An overview of applications in modern avian diagnosis utilizing Artificial intelligence
31	1018911	An overview of Enhancing Broiler Health and Welfare Through Alternative Systems
32	1081679	Investigating the synergistic effect of the essential oil of <i>Nepeta astrotricha</i> Rech f. plant with some commonly used antibiotics on <i>Escherichia coli</i> bacteria
33	1115174	Evaluating the Synergistic Impact of Hydroalcoholic Extract of <i>Scrophularia striata</i> on the Humoral Immune Response Induced by Newcastle Disease Vaccination in Broiler Chickens
34	1118827	Moderately Productive Osteoblastic Osteosarcoma in an 18-Month-Old Cockatiel (<i>Nymphicus hollandicus</i>)
35	1126937	Report of Newcastle disease with high mortality in a Golden pheasant (<i>Chrysolophus pictus</i>) flock
36	1154555	Investigation of the prevalence and antimicrobial resistance of <i>Escherichia coli</i> spp. and <i>Salmonella</i> spp., as carriers of foodborne pathogens, isolated from game birds hunted in the grasslands and meadows of Urmia City during the hunting season, against five antibacterial agents commonly used in Iranian medical practice
37	1157248	Antimicrobial efficacy of carbon dots obtained by the green methods on resistant <i>E. coli</i> spp. isolated from day-old broiler chickens in Urmia City to five antibacterial agents commonly used in the Iranian veterinary field
38	1159322	Detection of post-vaccination contamination of needles in day-old broiler chicks in Urmia city with <i>Listeria</i> species and their antibiotic resistance profile
39	1192601	Effect of cLF-chimera as an Anti-influenza Drug Candidate on H9N2 Avian Influenza Virus
40	1208018	Investigating contamination of <i>Raillietina echinobothrida</i> in a 5-year-old <i>Psittacus erithacus</i>
41	1214969	Case report of an osteoma in a Fischer's lovebird (<i>Agapornis fischeri</i>)
42	1223375	Survey on the relationship between stocking density and ascites syndrome (PHS) in broiler flocks of Tabriz
43	1235337	Concurrent Aspergillosis and Secondary Bacterial Infection in Broiler Chicks

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Wednesday 12 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
44	1342086	Newcastle Serological survey and determination of time of first vaccination in under 1 week Broiler flock of Bushehr province in 2023-2024
45	1343701	Prevalence and Molecular Diagnosis of Hydropericardium-Hepatitis Syndrome in the Broiler Flocks of Fars Province in 2023-2024
46	1345232	Antibiotic Sensitivity and Resistance of E. coli Isolates from Broiler Flocks of Busher province during 2022-2023
47	1353235	Prevalence of <i>Trichomonas gallinae</i> in the Domestic Pigeons in Genaveh City, West of Iran
48	1359029	Determination of the Most Appropriate Time for the First Vaccination of Gumboro Disease (IBD) in Bushehr Province Broiler Flocks During 2023-24
49	1378119	Field study of MG(CRD) status in broiler farms of northwest of Iran (Tabriz) 2023-2024
50	1384709	Detection of Newcastle disease virus in commercial poultry in Mazandaran, Iran
51	1394934	Investigating the therapeutic effect of interferon drug by molecular method in Beak and feather disease
52	1411949	Influence of dietary supplementation of cottonseed bioactive peptides on growth performance, oocyst shedding, and immune responses of broiler chickens exposed to coccidial challenge
53	1411987	The effects of adding marjoram powder on performance, carcass characteristics, serum biochemical parameters and humoral immune responses in broiler chickens
54	1429898	Performance and body composition of broilers under the effect of reduced dietary crude protein levels
55	1443963	A One Health concern associated with wild meat consumption
56	1444045	Evaluation of Abnormal Repetitive Behavior with an emphasis on feather-picking behavior in parrots: A One Welfare approach
57	1483755	The lack of peak of Egg Production and Urolithiasis in Commercial Layers following Variant 2 Infectious Bronchitis in Young Pullet Period: A Case Report
58	1561250	The effects of hydroalcoholic Ajowan extract on liver functional and histometrical tests in broiler chickens exposed to carbon tetrachloride
59	1567336	The effects of lavender extract on hepatic function and histometrical changes in broiler chickens exposed to liver damage induced by carbon tetrachloride poisoning.
60	1568787	The effects of hydroalcoholic Melissa Officinalis extract on liver function and histometrical tests in broiler chickens exposed to carbon tetrachloride
61	1609734	Effects of different levels of Sangrovit® in low crude protein diets on intestinal morphology, serum biochemical parameters, and humoral immune responses of broiler chickens
62	1662537	Drug Susceptibility in <i>Candida albicans</i> and Non-albicans Candida Species Isolated from pet birds
63	1669340	Drug Susceptibility in <i>Candida albicans</i> and Non-albicans Candida Species Isolated from ornamental birds
64	1717802	The effects of substitution of soybean meal by Amino-mix on growth performance, carcass characteristics, humoral immunity, and blood parameters of broilers
65	1743472	Anatomical and CT study of the scleral ring in the <i>Struthio camelus</i>

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Wednesday 12 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
66	1796475	Surveillance of Avian Influenza Virus in aquatic birds in Tehran Birds Garden using RT-PCR
67	1805508	A report of detection of avian nephritis virus from Iran
68	1847760	Effects of dietary Peroxisome Proliferator-Activated Receptor Gamma (PPAR γ) ligands (polyunsaturated fatty acids and pioglitazone) on pulmonary arterial hypertension in broiler chickens: An electrocardiographic assessment
69	1851674	Introduction of cytology as an effective diagnostic tool: a case report of clinical clostridial enteric disease in a broiler breeder flock
70	1858820	The Effects of Dietary <i>Bacillus amyloliquefaciens</i> Probiotic Supplementation on Broiler Gut Health, A Pathological Study
71	1164753	Investigating the new basic changes of vaccination in one-day-old broilers, broiler breeders and layers
72	1169253	Synergistic effect of Doxycycline Hyclate 580.0mg & Tilmicosin (as phosphate) 250 mg/ml against respiratory infections associated with <i>E. coli</i> in broiler farms
73	602611	Machine Learning Models for Vaccine Efficacy in Poultry
74	3311233	An exact AIV Monitoring (H9N2 and H5N6) in Isfahan birds garden 2023-2024
75	2538969	Development of Precocious stage of Iranian <i>Eimeria acervulina</i> strain in the chicken

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 08:30 - 12:00 Hall E		
Board No.	Code	Title
1	1864234	Report of a Case of Drug-Resistant Salpingitis in an 11-Year-Old Cockatiel
2	1868712	Report of Sulfonamide Poisoning in a Small Flock of Chickens
3	1869293	Report of Sulfonamide Poisoning in a Small Flock of Chickens
4	1923340	Evaluation of the <i>Escherichia coli</i> Vaccine in Broiler Chickens Inoculated with <i>Escherichia coli</i> : Implications for Poultry Health Management
5	1933029	Plasmid profile and ERIC-PCR characterization of <i>Salmonella Enteritidis</i> isolates recovered from day-old broilers
6	1965527	Detection of Avian Polyomavirus (APV) in Cockatiel parrots in Tehran Province
7	1977591	Evaluation of Poultry Feed Aflatoxin and Its components in Broiler Farms of Lorestan Province
8	2034540	Prevalence of Blood and External Parasites in Predator Birds Referred to the Wildlife Rehabilitation Center of Mashhad Environmental Protection Department, Khorasan Razavi Province
9	2062119	Isolation and identification of <i>Ornithobacterium rhinotracheal</i> from turkeys in Ilam province
10	2072309	Evaluation of Antibiotic Resistance Pattern of <i>Escherichia Coli</i> Isolated from Broiler Chickens with Colibacillosis in Isfahan Province, Iran (2023-2024).
11	2085402	Cross immunity of a trivalent avian colibacillosis vaccine against avian pathogenic <i>Escherichia coli</i> O18 in broilers
12	2099858	Coccidiosis in a 7-day-old broiler flock: A rare case report
13	2101390	Report of using a fertility and hatchability booster compound (FERTILO) in parent stock male birds of a 90-weeks age flock in Khorasan branch of Seamorgh company
14	2104665	Follow up and results of IBD vaccination program to prevent and control of disease in five consecutive flocks of Khorasan Seamorgh farm
15	2149531	The efficacy of Mebendazole as an anthelmintic medicine in racing pigeons in Urmia city to prevention of intercity transmission of parasitic contamination
16	2158208	Evaluation of influenza titer at the end of the breeding period in suspected flocks from Baft
17	2219918	Case Report on Angara Disease (Hydropericardium-Hepatitis Syndrome) in a Broiler Poultry Farm in Iran: Clinical Manifestations, Histopathology, Diagnosis, and Management
18	2227953	Performance evaluation of hatchery and farm vaccination against infectious bursal disease in commercial layer pullets
19	2229483	Performance evaluation of broiler farms received Newcastle disease recombinant turkey herpes virus vaccine (Vectormune [®] ND) with the same flocks received conventional vaccination
20	2269558	Concurrent Air Sac Nematodiasis and Acariasis in a Peregrine Falcon (<i>Falco peregrinus</i>)
21	2295934	Serological investigation of avian Influenza H9N2, Newcastle disease & Infectious bronchitis viruses in backyard chicken in Ahvaz city
22	2309903	An Overview of the Effects of Probiotic Consumption on Safety in the Poultry Industry

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 08:30 - 12:00 Hall E		
Board No.	Code	Title
23	2339705	Reporting a Case of Haemoproteus in Erythrocytes of One Larus cachinnans in Bandar-Anzali of Iran
24	2397687	Report of the occurrence of adenovirus serotype 1 disease in a broiler farm in Kurdistan province
25	2398350	Evaluation and effectiveness of prime-boost strategy of vaccination against avian infectious bronchitis in laying hens
26	2404622	Fibrosarcoma in a cockatiel (<i>Nymphicus hollandicus</i>) : A case report
27	2427807	A case report of hepatic cirrhosis in common budgies (<i>Melopsittacus undulatus</i>) fed by High Carbohydrate Diet in Iran
28	2522279	Mealworm Compound Feed Inclusion in Diets for Layer Hens: Effects on Production Performance and Egg Quality
29	2549828	Postbiotics as a Novel Antiviral Strategy Against Avian Infectious Bronchitis: Targeting Viral Replication and Boosting Immunity in Poultry
30	2613212	How Different Sources of Selenium Affect Induced Ascites in Arian Broiler Chickens?
31	2647906	The effect of using a combination of butyric acid, cinnamaldehyde and thymol on egg production performance and quality in Lohmann LSL commercial layers
32	2663742	Qualitative evaluation of Salinomycin on avian coccidiosis by litter monitoring
33	2673764	Identification of Avian Polyomavirus in Parrots Referred to The Bird Clinic of University of Tehran by PCR
34	2684996	The effect of probiotics, prebiotics and enzymes on the humoral immune response and blood parameters of broiler chickens
35	2687500	The effect of probiotics, prebiotics and enzymes on intestinal morphology and intestinal microbiota of broiler chickens
36	2707917	Serological and molecular investigation of highly pathogenic avian influenza virus subtype H5 backyard poultry of Yazd province
37	2714991	Evaluating the effect of lipopolysaccharide on the expression of BAX and BCL-2 genes in the apoptotic process using the chick extraembryonic membrane model
38	2743142	Antimicrobial resistance profile and detection of virulence genes among <i>Escherichia coli</i> isolated from typical lesions of broiler colibacillosis by multiplex PCR
39	2806759	Evaluation of the effect of <i>Listeria monocytogenes</i> on the expression of apoptotic genes in the chicken extraembryonic membrane (CAM) model
40	2813561	Investigating the stability of immunogenicity of Highly pathogenic avian influenza vaccines (subtype H5) used in layer flocks of over 60 weeks of age in Yazd province
41	2884524	The impact of a toxin binder containing postbiotics in feeds contaminated with aflatoxin on the blood biochemistry of broilers
42	2884567	The effect of toxin binder containing postbiotics in aflatoxin contaminated feed on selected broiler ileal microbiota
43	2965674	Investigating campylobacter contamination of broiler chicken in Isfahan province and evaluating the antibiotic resistance pattern of the isolates
44	2981819	Immune response evaluation of live bivalent Newcastle Disease + Infectious Bronchitis (Clone12IR+H120) vaccine in SPF chickens
45	3015127	Recent Advances in Antiviral Therapy for Psittacine Beak and Feather Disease: Efficacy of Antiviral Agents and Immunomodulatory Treatments

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 08:30 - 12:00 Hall E		
Board No.	Code	Title
46	3035017	Antimicrobial susceptibility analysis of clinical <i>Escherichia coli</i> isolates from broilers infected with colibacillosis to recent antibiotics in South Khorasan
47	3062635	Efficacy evaluation of Razi Institute Newcastle diseases vaccines in the broiler farm: A clinical trial study
48	3122445	Innovative Antiviral Strategies for Effective Control of Infectious Bursal Disease in Poultry
49	3134531	Phylogenetic analysis of novel avian infectious bronchitis virus strains in Kermanshah, Iran
50	3137906	Phylogenetic analysis of novel avian infectious bronchitis virus strains in Kermanshah, Iran
51	3137994	Evaluation of growth performance and histomorphometry of Japanese quail small intestine following the addition of <i>Humulus lupulus</i> (hops) to the diet
52	3138225	Evaluation of growth performance and histomorphometry of Japanese quail small intestine following the addition of <i>Humulus lupulus</i> (hops) to the diet
53	3153717	Identification of <i>Macrorhabdus ornithogaster</i> from parrot feces in Urmia by wet mount and molecular method.
54	3165377	Isolation and molecular characterization of Newcastle disease virus circulating in broiler flocks of northeast Iran
55	3181385	Comparative Serological Evaluation of Infectious Laryngotracheitis (ILT) Live Vaccine in the Broiler Breeder Farms
56	3205788	Review: Salmonella in poultry meat and its role in public health
57	3232369	Investigating of the seroprevalence of Newcastle disease in backyard poultry in Ghaemshahr, Mazandaran province
58	3239568	Investigation of Adenovirus Levels in Commercial Poultry Flocks in Gilan Province
59	3254036	Molecular evolution and genetic diversity of the H9N2 Avian Influenza Virus in Iran
60	3269644	Effect of Immunoglobulin Y on the immune system of broiler chickens challenged with <i>Campylobacter jejuni</i>
61	3269700	Effect of Immunoglobulin Y on reducing intestinal colonization of <i>Campylobacter jejuni</i> and improving growth performance in broiler chickens challenged with this bacterium
62	3271626	Genotyping of Fowl Adenoviruses Detected in the Cases of Inclusion Body Hepatitis in Iran, 2020
63	3299884	Captive wild birds as reservoirs of enteropathogenic <i>E. coli</i> (EPEC)
64	3325260	Seroprevalence survey of <i>Toxoplasma gondii</i> in poultry by Enzyme-Linked Immunosorbent Assay (ELISA) in West Azerbaijan province
65	3384603	Investigating the correlation of Inflammatory cytokines and Serum amyloid A gene expression level in broiler chickens
66	3394734	Impact of egg yolk antibody on immune function of chickens challenged with <i>Escherichia coli</i> O78
67	3399857	Passive immunization in chickens against <i>Escherichia coli</i> using immunoglobulin Y

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 08:30 - 12:00 Hall E		
Board No.	Code	Title
68	3458992	Simultaneous Occurrence of Infectious Laryngotracheitis and Avian Pox in Commercial Laying Hens in East Azerbaijan Province in 2024
69	3736592	The role of central Adropin on food intake in broiler chicken and its interaction with dopaminergic and serotonergic system
70	1022735	Investigating the effects of sesame leaves in the diet of broiler chickens on blood and serum parameters
71	1027376	The effects of supplementary zinc on the levels of zinc, calcium, phosphorus and liver enzymes (ALP, ALT and GGT) in the serum of commercial layers
72	3312029	Infectious Coryza monitoring in Isfahan poultry farms using bacterial & molecular evaluation in 2022-2024
73	4135059	Laboratory evaluation of susceptibility of collected red mites from different laying poultry farms of Alborz province to Cypermethrin.

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
1	3491516	Determining the effects of a commercial mineral supplement on the digestibility of ileal and jejunal nutrients and bone mineralization indices in broiler chickens
2	3498268	Protective effects of chitosan and nano-chitosan on meat quality in Japanese quails fed aflatoxin B1-contaminated diet
3	3509985	Detection and phylogenetic analysis of H4N2 avian influenza viruses isolated from domestic waterfowl at live poultry markets in north provinces of Iran
4	3529122	Incisional cloacopexy approach for cloacal prolapse correction in an African Grey Parrot (<i>Psittacus erithacus</i>)
5	3539324	A Case of Egg Binding in a Cockatiel: Successful Therapeutic Approach with Calcium Supplementation, Antifungal Treatment, and Dietary Modification
6	3551140	Investigating Bacterial Agents and Antibiotic Resistance in Isolates from Yolk Sac Infections in Ostrich Chicks in Isfahan Province (2021-2023)
7	3572312	Immunogenicity and efficacy of NewFluRazi Vaccine for Newcastle Disease in SPF Chickens
8	3587770	The Effect of Selenium and Zinc Supplementation on Semen Quality and Fertility in Turkey and Broiler Breeder Hens
9	3595187	The antibacterial effect of herbal mixture on <i>Escherichia coli</i>
10	3604718	Assessment of microbial contamination of <i>Escherichia coli</i> O157 and <i>Salmonella</i> in peacock fecal samples from the Isfahan region
11	3605222	Investigating parasitic contamination in the red-fronted serin of Isfahan Province
12	3616961	In vitro evaluation of different doses of specific egg yolk antibodies against <i>Salmonella Typhimurium</i> in inhibiting bacterial growth
13	3621657	Investigating the effect of native prebiotic on growth performance, antioxidant and immune parameters, bacterial population and intestinal morphology in broiler chicks
14	3621772	Study of effect of bioactive peptides on growth performance, intestinal morphology and ileal microbial flora in broiler chickens
15	3633096	Dietary supplementation of threonine and probiotic in broilers challenged with <i>Clostridium perfringens</i> : Effects on growth performance
16	3702566	Study on ectoparasites and their skin lesions in backyard poultry from Ahvaz
17	3783669	Investigating the effects of broccoli powder (<i>Brassicoleracea var. italica</i>) in comparison to Ascorbic acid on growth performance and intestinal villi morphology in broiler chickens under cold stress
18	3801180	Detection of motile Salmonellae in samples of boot swabs and dust tampons in parent and grandparent flocks of Qazvin province in the first 6 months of 1403
19	3803076	Monthly serum monitoring of infectious bronchitis and infectious bursal disease vaccination screening in parent and grandparent flocks of Qazvin province using the Indirect ELISA method
20	3862847	Efficacy of Elimin-8® in Inactivating <i>Salmonella enteritidis</i> in Poultry Feed
21	3897631	Investigating the Cause of Ovarian Cyst in a Backyard Hen Using the Nested-PCR Method
22	3904638	Vitamin and trace mineral content in feed of broiler breeders and their progeny: effects of growth, feed conversion, immunity response and bone parameters of broilers

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
23	3928825	The welfare of poultry at preslaughter handling & slaughterhouse
24	3946503	Report of Five Cases of Psittacosis in People in Contact with Newly Acquired Pet Parrots.
25	4003087	First Molecular Detection of Infectious Laryngotracheitis in Broiler Chickens in Golestan Province
26	4013686	Electrical stunning of poultry: Welfare challenges and alternatives
27	4094261	Frequency of blood parasite Infections in backyard chickens in Mashhad area
28	4127072	Experimental simultaneous infection of <i>Ornithobacterium rhinotracheale</i> and <i>E. coli</i> serotype O2 in SPF chickens
29	4243254	Evaluation of Copper Sulfate Toxicity in Chicken Embryos: Implications for Assessment Teratogenic Risk
30	4278230	Isolation and Identification of <i>Avibacterium Paragallinarum</i> from Suspected Diseased Birds in Tehran and Alborz Provinces
31	4295350	Preparation and potency evaluation of inactivated oil adjuvant <i>Pasteurella multocida</i> vaccines containing different numbers of bacterin in pullets
32	4314710	Clinical and Laboratory Findings of Inclusion Body Hepatitis (IBH) in a Commercial Layer Flock: A Case Report
33	4319847	Clinical and Laboratory Findings of Avian Leukosis in a Commercial Laying Flock: A Case Report
34	4321402	Seroprevalence of Avian Reovirus in Backyard Chickens from Rural Areas of Qazvin Province, Iran
35	4327707	Isolation and molecular characterization and phylogenetic analysis of Newcastle disease virus from broiler breeder flocks in south of Iran
36	4341609	The Effect of dietary walnut leaf powder on growth performance in broiler chickens under heat stress
37	4352703	Design, fabrication, and evaluation of a PCR kit for the detection of infectious bursal disease and identification of vaccine strains
38	4354984	Design and evaluation of a conventional PCR kit for the detection of Newcastle disease and differentiation of vaccine strains
39	4394070	Interconnection of Poultry Nutrition, Metabolic Disorders, and Disease Management
40	4403714	Investigating Infectious Bursal Disease Virus in an Arian Vaccinated Broiler Flock in Golestan Province, Iran: Molecular Detection and Phylogenetic Analysis
41	4406442	Investigation of the Seroprevalence of Hemagglutination Inhibitors against Newcastle Disease Virus and H5/H9 Avian Influenza in Backyard Chickens from Rural Areas of Qazvin Province
42	4407627	Detection and Genetic Characterization of Adenovirus E in Iranian Broiler chickens
43	4408327	Detection of Fowl Adenovirus genotype D in a Broiler Breeder Flock in Golestan province, Iran: A Case Report
44	4411321	Study on Avian Tuberculosis Infection in Domestic Pigeon Lofts in Markazi Province

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
45	4415250	A comparative study of different commercial rations containing probiotics, organic acids, and multi-enzymes on the growth performance and morphology of the small intestines in commercial broilers.
46	4426675	Identification, isolation and characterization of infectious laryngotracheitis (ILT) virus in diseased poultry: molecular studies, pathogenicity and treatment of strains.
47	4449930	Phylogenetic analysis and genetic characteristics of the hemagglutinin gene and protein of the H9N2 influenza virus isolated from poultry industry of Iran in 2022
48	4468555	Welfare of Laying Hens
49	4472922	Welfare issues in turkey production
50	2618450	How Do Different Organic Selenium Sources Affect Bone Characteristics in Broiler Chickens?
51	2718566	A radiological finding of hindlimb and beak deformities, along with periocular skin keratinization due to nutritional deficiency in a Pekin duck: a case report
52	3069103	Evaluation of a newly developed drinking water vaccine stabilizer on titer persistency of Newcastle disease (LaSota) and Infectious bronchitis (793B) vaccines under laboratory conditions
53	1074413	Isolation, Identification and determination of antimicrobial resistance pattern and phylogenetic group of <i>Escherichia fergusonii</i> in Broiler chickens of North Khorasan province
54	2004747	Leveraging Artificial Intelligence and Machine Learning for Optimization of Broiler Breeding: A Comprehensive Review
55	3686345	Study of gastrointestinal histology in Common Buzzard (<i>Buteo buteo</i>)
56	3682518	Investigating the physiological parameters in the chukar (<i>Alectoris chukar</i>) before, during and after induction of anesthesia with isoflurane.
57	1282962	Identification of <i>Salmonella enterica</i> serovars Typhimurium and Enteritidis in ostrich flocks of Kermanshah province using multiplex PCR
58	200169	Review of Antibiotic Susceptibility and Vaccination Strategies for <i>Ornithobacterium rhinotracheale</i> Infections in Poultry: Current Insights and Future Directions
59	1223435	Survey of resistance patterns to the most commonly used antibiotics in broiler farms in Tabriz 2023-2024
60	1223375	Survey of the relationship between stock density and ascites syndrome (PHS) in broiler flocks of Tabriz
61	1314527	Analysis of phenotypic and genotypic antibiotic resistance in <i>Escherichia coli</i> isolates obtained from ostriches in Mashhad County
62	1317196	Examining the abundance of virulence genes in <i>Escherichia coli</i> Isolates obtained from ostriches
63	1318846	BLP (BACTERIUM-LIKE PARTICLE) yielded promising results as poultry vaccine adjuvants
65	3332987	Isolation and characterization of fowl aviadenovirus 4 from outbreaks of hepatitis-hydropericardium syndrome in broiler chickens in Fars province

The 9th International Veterinary Poultry Congress (IVPC 2025)

Posters Program

Thursday 13 February 2025 12:30 - 16:00 Hall E		
Board No.	Code	Title
66	2205640	Investigation of the Prevalence of Microbial Infections in One-Day-Old Chicks from Poultry Farms in Alborz County, Iran
67	2207946	Investigating the prevalence of coccidiosis in broilers from Ardabil, Iran
68	3696704	Investigating the pathways of enrichment and functional biomarkers responsive to pathogens of bacterial origin in chicken
69	42273	Comparative Effects of Ziziphora Powder and Probiotics on Performance, Visceral Organ Weights, and Cecal Bacterial Population in Broiler Chickens Challenged with Dexamethasone
70	1918122	Prevalence of <i>Giardia</i> among Cockatiels in Urmia city, Iran
71	1917260	Prevalence of PBFD among Cockatiels in Urmia city, Iran
72	2904235	Molecular Identification of Metapneumovirus in Turkey Farms of Markazi Province
