

The 9th International Veterinary Poultry Congress (IVPC 2025)

به نام خدا

تتایع داوری مقالات نهمین کنگره بین المللی دامپزشکی طیور به شرح ذیل اعلام می گردد.

- نویسندگان مقالات پذیرفته شده می بایست مداکتر تا روز پنج شنبه ۱۴۰۳/۱۱/۰۴ نسبت به پرداخت هزینه ثبت نام از طریق سایت کنگره اقدام نمایند. بدیهی است در غیر اینصورت مقاله (ات) پذیرفته شده از برنامه کنگره مذف فواهد گردید.
- به سایر همکاران مقالات پذیرفته شده نیز در صورت ثبت نام و مشروط بر ارائه مقاله توسط نویسنده مسئول ، گواهی ارائه مقاله اعطا شده و امتیاز بازآموزی تعلق می گیرد.
- نویسندگانی که نسبت به پذیرش مقاله فود معترض می باشند میتوانند مراتب اعتراض فود را مداکتر تا تاریخ چهارشنبه ۱۴۰۳/۱۱/۰۳ به نشانی ivpc2025@gmail.com ایمیل نمایند. بدیهی است پس از تاریخ مذکور هیچگونه اعتراضی پذیرفته نفواهد شد.
- برنامه کنگره (سفرانی ها و پوسترها)، مداکتر تا تاریخ ۱۰ بهمن ماه در سایت کنگره درج می گردد.

No	Code	Title	Result
3	2356189	A Brief Review of Anesthetic Methods in Bird	Reject
4	3539324	A Case of Egg Binding in a Cockatiel: Successful Therapeutic Approach with Calcium Supplementation, Antifungal Treatment, and Dietary Modification	Poster
5	2427807	A case report of hepatic cirrhosis in common budgies (ssessmentus undulatus) fed by High Carbohydrate Diet in Iran	Poster
6	4415250	A comparative study of different commercial rations containing probiotics, organic acids, and multi-enzymes on the growth performance and morphology of the small intestine in commercial broilers.	Poster
7	1443963	A One Health concern associated with Wild meat consumption	Poster
8	2718566	A radiological finding of hindlimb and beak deformities, along with periocular skin keratinization due to nutritional deficiency in a Pekin duck: a case report	Poster
9	1805508	A report of detection of avian nephritis virus from Iran	Poster
10	1452645	A review and overview of all types of fraud in broiler slaughterhouses	Reject
11	1641084	A Review of the Efficacy of Short Hairpin RNAs (shRNAs) in Inhibiting Viral Infections in Poultry	Reject
12	1646264	A Review of the Efficacy of Short Hairpin RNAs (shRNAs) in Inhibiting Viral Infections in Poultry	Reject
13	215375	A review on comparing the function of endocrine and exocrine hormones in birds and mammals	Reject

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
14	702925	A review on the evaluation of the effects of using probiotics and prebiotics on metabolism and reducing the incidence of digestive disorders in poultry	Reject
15	154783	Adenoviral gizzard erosion in a broiler chickens farm (the first report from Kermanshah Province)	Poster
16	158430	Adenoviral gizzard erosion in a broiler chickens farm (the first report from Kermanshah Province)	Reject
17	3562403	Alternative Strategies to Antibiotics in Poultry: Probiotics, Prebiotics, and Phytobiotics for Sustainable Health and Productivity	Reject
18	3311233	An exact AIV Monitoring (H9N2 and H5N6) in isfahan birds garden 2023-2024	Poster
19	1017612	An overview of applications on modern avian diagnosis utilizing Artificial intelligence	Poster
20	1018911	An overview of Enhancing Broiler Health and Welfare Through Alternative Systems	Poster
21	2309903	An overview of probiotics consumption effect's on the safety in the poultry industry	Poster
22	1011572	An overview of the potential applications of Artificial Intelligence in enhancing layer breeding efficiency	Poster
23	3147475	Analysis of global climate change and its future research on bird migration and behavior (case study :international Anzali Wetland)	Poster
24	1314527	Analysis of phenotypic and genotypic antibiotic resistance in Escherichia coli isolates obtained from ostriches in Mashhad	Poster
25	1743472	Anatomical and CT study of the scleral ring in the Struthio camelus	Poster
26	1345232	Antibiotic Sensitivity and Resistance of E. coli Isolates from Broiler Flocks of Busher province during 2022-2023	Poster
27	1157248	Antimicrobial efficacy of carbon dots obtained by the green methods on resistant E. coli spp isolated from day-old broiler chickens in Urmia City to five antibacterial agents commonly used in the Iranian veterinary field	Poster
28	2743142	Antimicrobial resistance profile and detection of virulence genes among Escherichia coli isolated from typical lesions of broiler colibacillosis by multiplex PCR	Poster
29	3035017	Antimicrobial susceptibility analysis of clinical Escherichia coli isolates from infected broilers with Colibacillosis to the recent antibiotics in South Khorasan	Reject
30	4056358	Application of ML to predict the occurrence and risk analysis of avian influenza based on important ecological factors	Oral

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
31	3604718	Assessment of microbial contamination of Escherichia coli O157 and Salmonella in peacock fecal samples from the Isfahan region	Poster
32	2144667	Assessment of Nigella sativa Powder versus Vitamin C on Antioxidant Capacity and ND (Newcastle Disease) and AI (Avian Influenza) titer in Broiler Chickens	Poster
33	1148457	Biological control of house fly (Musca bomistica) in chicken farms through Alphitobius diaperinus.	Reject
34	1318846	BLP (BACTERIUM LIKE PARTICLE) yielded promising results as poultry vaccine adjuvants	Poster
35	3299884	Captive wild birds as reservoirs of enteropathogenic E. coli (EPEC)	Poster
36	2219918	Case Report on Angara Disease (Hydropericardium Syndrome) in a Broiler Poultry Farm in Iran: Clinical Manifestations, Histopathology, Diagnosis, and Management	Poster
37	3652569	Clinical and Histopathological Review of Inclusions Body Hepatitis (IBH) in Poultry: Incidence, Outcomes, and the Role of Biosecurity in Prevention	Poster
38	4319847	Clinical and Laboratory Findings of Avian Leukosis in a Commercial Laying Flock: A Case Report	Poster
39	4314710	Clinical and Laboratory Findings of Inclusion Body Hepatitis (IBH) in a Commercial Layer Flock: A Case Report	Poster
40	2099858	Coccidiosis in a 7 days old broiler flock: A rare case report	Poster
41	4126747	Co-infections of Ornithobacterium rhinotracheale and other respiratory pathogens in poultry: A review of experimental and natural cases in Iran and the world	Oral
42	769513	Comparative Analysis of Four Drug Programs on Feed Conversion Ratio, Production Index, and Some Other Performance Parameters in Broiler Chickens	Poster
43	3181385	Comparative Serological Evaluation of Infectious Laryngotracheitis (ILT) Live Vaccine in the Broiler Breeder Farms	Poster
44	885586	Comparison the effect of phytobiotic, coccidiostat, toltrazuril and vaccine on intestinal lesions and the population of bacteria in the cecum in ROSS 308 broilers Infected with coccidiosis.	Poster
45	352965	Comparisons of cecal fermentation products in hens molted by different methods	Poster
46	2269558	Concurrent Air Sac Nematodiasis and Acariosis in a Peregrine Falcon (Falco peregrinus)	Poster
47	1235337	Concurrent Aspergillosis and Secondary Bacterial Infection in Broiler Chicks	Poster
48	216533	Consumption of cottonseed and its products and the effect of gossypol in humans and animals	Reject

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
49	857033	Contamination of eggs by Salmonella Enteritidis in experimentally infected laying hens	Poster
50	1116306	Creating organic conditions and the effects of antibiotics on the health of poultry meat Introduction	Reject
51	649015	CRISPR/Cas9 Gene Editing Technology in Poultry Viral Vaccines Development	Reject
52	2085402	Cross immunity of a trivalent avian colibacillosis vaccine against avian pathogenic Escherichia coli O18 in broilers	Poster
53	535770	Cytokine and acute-phase proteins response following vaccination against infectious bronchitis in broilers	Oral
54	3563900	Cytokine Regulation in Intestinal Immune Responses of Poultry Against Intracellular Pathogens like Eimeria	Reject
55	4354984	Designing and evaluation of a conventional PCR kit for detection of Newcastle disease and distinguishing of vaccine strains	Poster
56	4352703	Designing, fabrication, and evaluation of PCR kit for detection of infectious bursal disease and identification of vaccine strains	Poster
57	4407627	Detection and Genetic Characterization of Adenoviruse E in Iranian Broiler chickens	Poster
58	4451512	Detection and identification of Novel Ostrich parvovirus in Iran	Oral
59	3509985	Detection and phylogenetic analysis of H4N2 avian influenza viruses isolated from domestic waterfowl at live poultry markets in north provinces of Iran	Poster
60	1965527	Detection of Avian Polyomavirus (APV) in Cockatiel parrots in Tehran Province	Poster
61	1963289	Detection of Avian Polyomavirus (APV) in Cockatiel parrots in Tehran Province	Reject
62	4408327	Detection of Fowl Adenovirus genotype D in a Breeder Broiler Flock in Golestan province, Iran: A Case Report	Poster
63	1384709	Detection of Newcastle disease virus in commercial poultry in Mazandaran, Iran	Poster
64	1159322	Detection Post vaccination contamination of needles in day- old broiler chicks in Urmia city with Listeria species and Antibiotic resistance profile	Poster
65	1159176	Detection Post vaccination contamination of needles in day- old broiler chicks in Urmia city with Listeria species and Antibiotic resistance profile	Reject
66	3491516	Determining the effects of a commercial mineral supplement on the digestibility of ileal and jejunal nutrients and bone mineralization indices in broiler chickens	Poster
67	1359029	Determination of the Most Appropriate Time for the First Vaccination of Gumboro Disease (IBD) in Bushehr Province Broiler Flocks During 2023-24	Reject

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
68	3568009	Development of Next-Generation Vaccines for Infectious Disease Prevention in the Poultry Industry: The Role of DNA Vaccines and CRISPR/Cas9 Technology	Reject
69	2538969	Development of Precocious stage of Iranian Eimeria acervulina strain in the chicken	Poster
70	1214969	Diagnosis of osteoma tumor in love bird parrot	Poster
71	3633096	Dietary supplementation of threonine and probiotic in broilers challenged with Clostridium perfringens: Effects on growth performance	Poster
72	1669340	Drug Susceptibility in Candida albicans and Non-albicans Candida Species Isolated from ornamental birds	Poster
73	1662537	Drug Susceptibility in Candida albicans and Non-albicans Candida Species Isolated from ornamental birds	Poster
74	1262417	Economic evaluation of poultry disease control in the poultry industry: investigation of direct and indirect costs of diseases and cost-benefit analysis of prevention and control measures in poultry farms	Reject
75	1192601	Effect of cLF-chimera as an Anti-influenza Drug Candidate on H9N2 Avian Influenza Virus	Poster
76	688117	Effect of dietary supplementation of stinging nettle (Urtica dioica) on serum oxidative stress biomarkers in broiler chickens under chronic heat stress	Poster
77	3269700 + 3269644	Effect of Immunoglobulin Y on reducing intestinal colonization of Campylobacter jejuni and improving growth performance of broiler chickens challenged with this bacterium	Poster
78	3269700 + 3269644	Effect of Immunoglobulin Y on the immune system of broiler chickens challenged with Campylobacter jejuni	Poster
79	686848	Effect of three distinct probiotic administration on the physiological responses of broiler chickens exposed to chronic heat stress	Poster
80	684185	Effect of three district probiotic administration on the growth performance in broiler chickens under chronic heat stress	Poster
81	669380	Effects of Anesthetic Drugs on Blood Parameters and Other Organs in Avian: a narrative review	Reject
82	4195544	Effects of conditioner temperature and retention time on pellet quality of broiler diet produced by super-conditioner and conventional methods	Oral
83	1847760	Effects of dietary Peroxisome Proliferator-Activated Receptor Gamma (PPAR γ) ligands (polyunsaturated fatty acids and pioglitazone) on pulmonary arterial hypertension in broiler chickens: An electrocardiographic assessment	Poster

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
84	1609734	Effects of different levels of Sangrovit in low crude protein diets on intestinal morphology, serum biochemical parameters, and humoral immune responses of broiler chickens	Poster
85	2619213 + 2618450	Effects of Different Sources of Micro & Nano Organic Selenium on Performance and Meat Quality of Broiler Chickens	Poster
86	764925	Effects of Drinking Magnetized Water on Feed Conversion Ratio and Related Growth Parameters in Broiler Chicken	Poster
87	125131	Effects of guanidinoacetic acid supplementation to turkey poults diets with Standardized ileal digestible lysine content	Reject
88	1286634	Effects of Zoofa and unsaturated Fatty acids in recovery of birds from respiratory signs of experimental Avian influenza	Reject
89	3062635	Efficacy evaluation of Razi Institute Newcastle diseases vaccines in the broiler farm: A clinical trial study	Poster
90	3862847	Efficacy of elimin 8 in Inactivating Salmonella enteritidis in Poultry Feed	Poster
91	4013686	Electrical stunning of poultry: Welfare challenges and alternatives	Poster
92	2714991	Evaluating the effect of lipopolysaccharide on the expression of BAX and BCL-2 genes in the apoptotic process using the chick extraembryonic membrane model	Poster
93	1115174	Evaluating the Synergistic Impact of Hydroalcoholic Extract of Scrophularia striata on the Humoral Immune Response Induced by Newcastle Disease Vaccination in Broiler Chickens	Poster
94	2398350	Evaluation and effectiveness of prime-boost strategy of vaccination against avian infectious bronchitis in laying hens	Poster
95	3064241 + 3069103	Evaluation of a newly developed drinking water vaccine stabilizer on titer persistency of Newcastle disease (LaSota) and Infectious bronchitis (793B) vaccines under laboratory conditions	Poster
96	1444045	Evaluation of Abnormal Repetitive Behavior with emphasis on feather-picking behavior in parrots: A One Welfare approach	Poster
97	1907448	Evaluation of Amantadine-Induced Pathological Changes in Chicken Embryos and Its Effectiveness Against H9N2 Influenza Virus: Implications for Avian and Human Health	Poster
98	2159719	Evaluation of antibiogram results in broiler chickens Baft	Reject

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
99	2072309	Evaluation of Antibiotic Resistance Pattern of Escherichia Coli Isolated From Broiler Chickens With Colibacillosis in Isfahan Province ,Iran (2023-2024).	Poster
100	4243254	Evaluation of Copper Sulfate Toxicity in Chicken Embryos: Implications for Teratogenic Risk Assessment	Poster
101	3483304	Evaluation of Feed Conversion Ratio in Ostrich Chicks from Day 1 to Day 104	Poster
102	3137994	Evaluation of growth performance and histomorphometry of Japanese quail small intestine following the addition of Humulus lupuluss to the diet	Poster
103	3138225	Evaluation of growth performance and histomorphometry of Japanese quail small intestine following the addition of Humulus lupuluss (hops) to the diet	Poster
104	3804778	Evaluation of microbial contamination of losses of meat and poultry feed crops with age less than 7 days in Qazvin province in the first 6 months of 1403	Reject
105	879308	Evaluation of Newcastle Antibody transfer from broiler breeder to progeny by hemagglutination Inhibition	Poster
106	1977591	Evaluation of Poultry Feed Aflatoxin and It's components in Broiler Farms of Lorestan Province	Poster
107	1971123	Evaluation of Poultry Feed Aflatoxin and It's components in Broiler Farms of Lorestan Province	Reject
108	2806759	Evaluation of the effect of Listeria monocytogenes on the expression of apoptotic genes in the chicken embryo extraembryonic membrane (CAM) model	Poster
109	1923340	Evaluation of the Escherichia coli Vaccine in Broiler Chickens Inoculated with Escherichia coli: Implications for Poultry Health Management	Poster
110	2158208	Evaluation of the influenza headline at the end of breeding period of suspicious flocks of Baft	Poster
111	675324	Evaluation of the Protective Efficacy of Native Seed Homologous Newcastle Disease Vaccine Candidate Against Genotype VII (G7) Virus Challenge in SPF Chickens	Oral
112	451276	Evaluation the effect of different concentrations of melatonin hormone on the immune system of broiler chickens with increased pulmonary blood pressure (ascites)	Poster
113	457038	Evaluation the interaction between opioid receptors and amino acid leucine on the central regulation of food intake in broiler chickens.	Poster
114	1317196	Examining the abundance of virulence genes in Escherichia coli Isolates obtained from ostriches	Poster
115	459846	Experimental evaluation of the effect of using alcoholic licorice extract in diet on the quality, lipid oxidative stability and shelf life of raw quail breast and thigh meat.	Poster

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
116	4127072	Experimental simultaneous infection of Ornithobacterium rhinotracheales and E.coli serotype O2 in SPF chickens	Poster
117	254844	Exploring Postbiotics as a Novel Antiviral Strategy Against Avian Influenza: Mechanisms, Efficacy, and Immunomodulation in Poultry	Poster
118	3064241 + 3069103	Farm evaluation of a newly developed drinking water vaccine stabilizer on titer persistency of Newcastle disease (LaSota) and Infectious bronchitis (793B) vaccines	Poster
119	2404622	Fibrosarcoma in a cockatiel (Nymphicus hollandicus) : A case report	Poster
120	1272581	Field study on comparative treatment of CRD by Fosbac/Tylvacare versus Doxycycline/Tylvacare in broiler farms of Tabriz	Reject
121	1221401	Field study on comparative treatment of Necrotic enteritis by Lincomycin/Sultrim versus Lincomycin/Colistin in broiler farms of Tabriz	Reject
122	1274322	Field study on the efficacy of GM97 vaccine in pullet layer flock with an infection history by IBDV in Tabriz	Reject
123	1224556	Field study on the frequency of FLHS in 3 breeds of layer flocks in East Azarbaijan 2023-2024	Reject
124	4003087	First Molecular Detection of Infectious Laryngotracheitis in Broiler Chickens in Golestan Province	Poster
125	523040	First Report of Toxicity of Euphorbia Grantii in Two Cockatiels	Poster
126	2106133	Follow up and results of Gamboro vaccination program to prevent and control of disease in five consecutive herds of khorasan Seamorgh farm	Poster
127	2104665	Follow up and results of Gamboro vaccination program to prevent and control of disease in five consecutive herds of khorasan Seamorgh farm	Reject
128	4094261	Frequency of blood parasite Infections in backyard chickens in Mashhad area	Poster
129	36529	Genetic design and virtual cloning of recombinant H9-RBD-pPIC9k plasmid for the production of a novel recombinant influenza H9N2 vaccine for poultry	Oral
130	3271626	Genotyping of Fowl Adenoviruses Detected from Inclusion Body Hepatitis in Iran, 2020	Poster
131	2613212	How Different Sources of Selenium Affect Induced Ascites in Arian Broiler Chickens?	Poster
132	2619213 + 2618450	How Do Different Organic Selenium Sources Affect Bone Characteristics in Broiler Chickens?	Poster

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
133	2757130	HVT vector-based ND vaccine (rHVT-ND) can strongly suppress challenge virus shedding and prevent virus transmission in vaccinated population.	Oral
134	1076703	Identification and determination of antimicrobial resistance pattern and phylogenetic group of <i>Escherichia fergusonii</i> in Broiler chicken of North Khorasan province	Reject
135	2673764	Identification of Avian Polyomavirus in Parrots Referred to The Bird Clinic of University of Tehran by PCR	Poster
136	3153717	Identification of <i>Macrorhabdus ornithogaster</i> from parrot feces in Urmia by wet mount and molecular method.	Reject
137	1282962	Identification of <i>Salmonella enterica</i> serovars Typhimurium and Enteritidis in ostrich flocks of Kermanshah province using multiplex PCR	Poster
138	4426675	Identification, isolation and characterization of infectious laryngotracheitis (ILT) virus in diseased poultry: molecular studies, pathogenicity and treatment of strains.	Poster
139	4322081	Identification, Molecular characterization and Phylogenetic Study of <i>Mycoplasma Gallisepticum</i>	oral
140	2981819	Immune response evaluation of live bivalent Newcastle Disease + Infectious Bronchitis (Clone12IR+H120) vaccine in SPF chickens	Poster
141	3572312	Immunogenicity and efficacy of NewFluRazi Vaccine for Newcastle Disease in SPF Chickens	Poster
142	3394734	Impact of egg yolk antibody on immune function of chickens challenged with <i>Escherichia coli</i> O78	Poster
143	3085430	Impact of Enzymatically Hydrolyzed and Fermented Canola Meal on serum parameters and intestine morphology in Broilers	Poster
144	3616961	In vitro evaluation of different doses of specific egg yolk antibodies against <i>Salmonella Typhimurium</i> in inhibiting bacterial growth	Poster
145	3529122	Incisional cloacopexy approach for cloacal prolapse correction in an African Grey Parrot (<i>Psittacus erithacus</i>)	Poster
146	2958544	Induction of cellular immunity following vaccination of SPF chickens by Newcastle Clone vaccines	Oral
147	3312029	Infectious <i>Coryza</i> monitoring in Isfahan poultry farms using bacterial & molecular studies at 2022-2024	Poster
148	1411949	Influence of dietary supplementation of cottonseed bioactive peptides on growth performance, oocyst shedding, and immune responses of broiler chickens exposed to coccidial challenge	Poster
149	3122445	Innovative Antiviral Strategies for Effective Control of Infectious Bursal Disease in Poultry	Poster
150	4394070	Interlinking of Poultry Nutrition, Metabolic Disorders, and Disease Management	Poster

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
151	1851674	Introduction of cytology as an effective diagnostic tool: a case report of clinical clostridiosis in a broiler breeder flock	Poster
152	3621657	Investigate of effect of native prebiotic on growth performance, antioxidant and immune parameters, bacterial population and intestinal morphology in broiler chicks	Poster
153	2965674	Investigating campylobacter contamination of broiler poultry in Isfahan province and evaluating the antibiotic resistance pattern of the isolates	Poster
154	1208018	Investigating contamination of Raillietina echinobothrida in a 5-year-old Psittacus erithacus	Poster
155	3221443	Investigating food safety and hygiene review during the pandemic	Reject
156	3232369	Investigating of the seroprevalence of Newcastle disease in backyard poultry in Ghaemshahr, Mazandaran province	Poster
157	3239568	Investigating the amount of adenoviruses in commercial poultry flocks of Gilan province	Poster
158	3384603	Investigating the correlation of Inflammatory cytokines and Serum amyloid A gene expression level in broiler chickens	Poster
159	1453055	Investigating the effect of soybean meal oiling factories and the amount of oil in soybean meal on the growth performance of broiler chickens	Reject
160	1022735	Investigating the effects of sesame leaves in the diet of broiler chickens on blood and serum parameters	Poster
161	2347029	Investigating the extent of T-2 toxin pollution in wheat used at poultry farms in Kerman province	Reject
162	901269	Investigating the immune response and blood parameters of roosters of breeder flocks fed with L-carnitine and L-arginine supplements	Poster
163	1985686	Investigating the Lethal Effects of Acyclovir on Chicken Embryo Viability During Early Incubation: Implications for Antiviral Drug Safety in Avian Species	Poster
164	362820	Investigating the level of Cryptosporidium parasite infection in Rasht pigeons in 2022-2023	Poster
165	1164753	Investigating the new basic changes of vaccination in one-day-old broilers, breeder broilers and layer	Poster
166	3696704	Investigating the pathways of enrichment and functional biomarkers responsive to pathogens of bacterial origin in chicken	Poster
167	3682518	Investigating the physiological parameters in the chukar (Alectoris chukar) before, during and after induction of anesthesia with isoflurane.	Poster
168	2207946	Investigating the prevalence of coccidiosis in broilers from Ardabil, Iran	Poster

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
169	2813561	Investigating the stability of immunogenicity of super-acute influenza vaccines (subtype H5) used in flocks of laying hens over 60 weeks of age in Yazd province	Poster
170	1081679	Investigating the synergistic effect of the essential oil of <i>Nepeta astrotricha</i> Rech f. plant with some commonly used antibiotics on <i>Escherichia coli</i> bacteria	Poster
171	1394934	investigating the therapeutic effect of interferon drug by molecular method in Beak and feather disease	Poster
172	3551140	Investigation of Bacterial Agents and Antibiotic Resistance in Isolates from Yolk Sac Infections in Ostrich Chicks in Isfahan Province (2021-2023)	Poster
173	652817	Investigation of biosensors for rapid detection of avian influenza virus	Reject
174	219517	Investigation of environmental factors on the circadian clock of the suprachiasmatic nucleus of the pineal gland and its effect on the regulation of various biological processes in vertebrates	Reject
175	4403714	Investigation of Infectious Bursal Disease Virus in an Arian Vaccinated Broiler Flock in Golestan Province, Iran: Molecular Detection and Phylogenetic Analysis	Poster
176	3605222	Investigation of parasitic contamination in the red-fronted finch of Isfahan Province	Poster
177	1288696	Investigation of physiological parameters in the chukar (<i>Alectoris chukar</i>) before, during and after induction of anesthesia with isoflurane.	Reject
178	1154555	Investigation of prevalence and resistance of <i>Escherichia coli</i> spp and <i>salmonella</i> spp isolated from game birds are hunted in grasslands and meadows of Urmia city during hunting season to five antibacterial agents commonly used in the Iranian medical field	Poster
179	4406442	Investigation of Seroprevalence of Hemagglutination Inhibitors against Newcastle Disease Virus and H5/H9 Avian Influenza in Backyard Chickens from Rural Areas of Qazvin Province	Poster
2	3897631	Investigation of the Cause of Ovarian Cyst in a Native Hen Using the Nested-PCR Method	Poster
180	2205640	Investigation of the Prevalence of Microbial Infections in One-Day-Old Chicks from Poultry Farms in Alborz County, Iran	Poster
181	3783669	Investigation the effects of broccoli powder (<i>Brassicoleracea</i> var. <i>italica</i>) in comparison to Ascorbic acid on growth performance and intestinal villi morphology in broiler chickens under cold stress	Poster
182	3332987	Isolation and characterization of fowl aviadenovirus 4 from outbreaks of hepatitis-hydropericardium syndrome in broiler chickens in Fars province	Poster

The 9th International Veterinary Poultry Congress (IVPC 2025)

No	Code	Title	Result
183	2647906	Isolation and detection Antibiotic resistance pattern of Escherichia coli from turkey poult in East Azarbaijan, and their antibiogram profile	Poster
184	2647487	Isolation and detection Antibiotic resistance pattern of Escherichia coli from turkey poult in East Azarbaijan, and their antibiogram profile	Reject
185	4278230	Isolation and Identification of Avibacterium Paragallinarum from Suspected Diseased Birds in Tehran and Alborz Provinces	Poster
186	788348	Isolation and Identification of Corynebacterium Xerosis in Two Peacocks: First Report of Respiratory Infection	Poster
187	2062119	Isolation and identification of Ornithobacterium rhinotracheal from turkeys in Ilam province	Poster
188	4327707	Isolation and molecular characterization and phylogenetic analysis of Newcastle disease virus from broiler breeders' flocks in south of Iran	Poster
189	2602495	Isolation and molecular characterization of Newcastle disease virus circulating in broiler flocks of northeast Iran	Poster
190	26529	Isolation of Salmonella enteritidis from alexandrine parakeet chicks (Psittacula eupatria) using bacterial culture and multiplex PCR assay: a case report	Poster
191	1074413	Isolation, Identification and determination of antimicrobial resistance pattern and phylogenetic group of Escherichia fergusonii in Broiler chicken of North Khorasan province	Poster
192	4135059	Laboratory evaluation of susceptibility of collected red mites from different laying poultry farms of Alborz province to Cypermethrin.	Poster
